"When I decided to send in my pictures, I told my best friend. She thinks I'm mental," Ulrika shared with us. "She told me that I'd be fired if my school ever found my photos, but the odds of someone seeing me and saying anything are fairly low. There are a few women who would give me trouble, but I'm sure their husbands wouldn't mind seeing me like this!"

Ass is in Session!
"One time, my ex surprised me after school with flowers. I don't know what got into me, but I locked the door and he shagged me on my desk. People were milling about right outside of the classroom!"

"I hesitated to send in this picture because it makes me look like I'm a loose lay! I swear that I'm normally tight, but I had just cum, and I was feeling relaxed. I don't gape all of the time!"

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

GOD BLESS A COUNTRY GIRL

A recent CDC report found that rural women are fucking earlier in life than women living in big cities. The data show that 51 percent of country girls have sexual intercourse by age 16, while the number for city girls is 41 percent. By the age of 18, 80 percent of rural women had done the deed, while only 69 percent of urban women were partaking in the fun. Here's some more good news for you guys who lust after farmers' daughters: 41 percent of rural women are using more effective methods of birth control such as IUDs, while the number for city girls is right around 30 percent.

WTF?

Sometimes you have to wonder how some people still have a job. In what may go down in history as the worst idea ever, Indian condom company Manforce has just released an achaari-flavored condom. For those of you who aren't well schooled in Indian tastes, aachari is a spicy pickle made with hot peppers and lime. Here's a warning to all of you: if your wife asks you to spice things up in the bedroom, this isn't what she's talking about. We guarantee it.

ANAL 101

Harvard University is teaching the next generation of world leaders, but what they're studying might shock you. Every year, the university hosts a Sex Week, teaching the incoming class about sexual consent, technique and etiquette. This year, a new class titled "What What in the Butt: Anal Sex 101" was on the syllabus. Natasha, the instructor for the course, purportedly told her students "The butthole is the great sexual equalizer. All humans have a butthole." Additional classes taught at the university include; Sex Toys 101: Feel Those Good Vibrations; Unleashed: Kink 101; and Sticky: A (Self) Love Story.

HACKED!

Dear NN,

Do you guys know what a white hat is? Simply put, we're the good computer hackers. Although we prefer to be called computer security experts, our nickname was decided for us in the 1980s as a way to compare new computer technology to the Western genre. Namely, you can tell whether a cowboy is a good guy or a bad guy by whether he's wearing a white hat or a black hat. It's silly, but it stuck.

Last week I was having coffee with another programmer friend of mine, a guy named Alex who rarely got outside and was lacking in politeness, but is one of the smartest guys I know. We were sitting outside our favorite locale in The Marina district in SF, watching the pretty, young women in sundresses walk by, imagining where they were going. "I'll bet she's heading to some lame startup PR event," I said, pointing at a flat-chested but pretty brunette walking briskly on the other side of the

Ruby

London, England

BUSH BABIES

Hotel Clerk
Age: 20
Born: December 17
Ht: 5'7"
Wt: 128 pounds

Bras: 34A
Panties: Thongs
Anal: No
BJs: I try to swallow
Masturbate: Yes

Ruby returns! We featured this hairy honey in our September '17 issue, her first time appearing in any publication. "I was so nervous about sending in my photos," she revealed to us in a phone interview. "But when I got my hands on the issue, I was ecstatic! I even showed my mates. They acted weirded out, but I think they secretly liked it."

We reported last year that Ruby doesn't watch porn, but she may have come around on that front. "I found a few niches that work for me. A lot of the stuff online and on video is too extreme for me. I don't like any porn where the women get hurt or are treated poorly. What's the point of that? Sex should be fun! I like stuff where the women are in power. I enjoy watching face sitting, 69ing, creampies and guy-guy-girl threesomes."

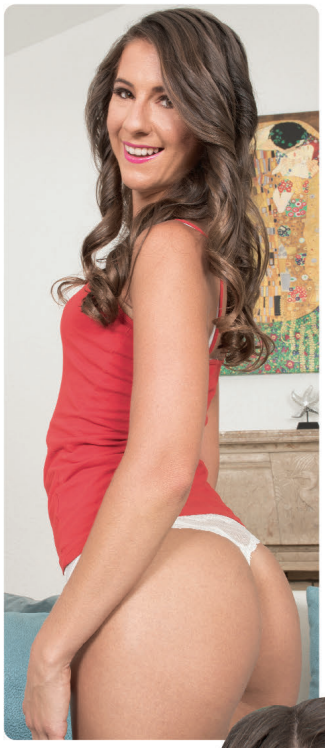
Keeping it Trimmed
"I trimmed my minge since the last time you saw me. You know that I don't shave, but I like to keep myself neat and orderly down there. If it gets too long, it pokes out of my panties and it's uncomfortable!"

Tara

Sacramento, California

Dancer
Age: 23
Born: March 14
Ht: 5'6"
Wt: 120 pounds

Bras: 32A
Panties: Thongs
Anal: Light licking is okay
BJs: Swallow
Masturbate: Yes!



We asked Tara why she got off of the strip club stage and came to see us. "I love dick," she told us bluntly. We set her up with a hard porno cock to fuck (see that set online). But she also told us that she wanted to pose solo. "I'm one of those girls who can make herself cum really easily through masturbation, so I figured I might as well stick around and blast out a quick solo orgasm for your readers."

Two Tickets to Paradise

"I had a customer who took me on a ski trip a couple of years ago. He told me that he just wanted company and that sex wasn't expected. We ended up fucking, like, five times. What was I going to do, not fuck for an entire weekend?"

Lexi

Leesburg, Virginia

Student
Age: 19
Born: January 30
Ht: 5'5"
Wt: 105 pounds

Bras: 34C
Panties: Colorful thongs
Anal: Yes
BJs: Swallowing depends on flavor
Masturbate: I love my vibrator

Even though Lexi looks innocent, she is probably too wild for you. We asked her if she has any fetishes. "I like asphyxiation, and I love age roleplaying because I have braces and they drive older men crazy."

"I'm a vegan, so if you're going to take me out, make sure I have something to eat! If you show that you care about my concerns, then we can go back to your place and have some fun. If you're a vegan, too, I'll swallow!"

That's In-tents!
"When I decided to lose my virginity, I ordered a tent off of the Internet, and then I invited my boyfriend over to my grandparents' backyard. I even brought a mattress out there to fuck him on!"

Kylie

Minneapolis, Minnesota

Waitress
Age: 20
Born: January 8
Ht: 5'2"
Wt: 102 pounds
Bras: 32B
Panties: Thongs
Anal: Yes
BJs: Who spits?
Masturbate: Yes!

Kylie has an interesting story about how she lost her virginity. "It was at an orgy in high school," she told us, blushing a bit. "It was pretty nuts, honestly. I was at a sleepover with my girlfriends and one of the girls invited her boyfriend and his buddies. We started playing strip poker and things progressed from there."

Arm Candy

"My boyfriend is 34 years old. I have a thing for older guys because they know how to treat a girl. I know he's more interested in my body than my mind, but that's okay. I'm fine with being a trophy girlfriend."

Casey

Las Vegas, Nevada

Retail salesgirl
Age: 18
Born: August 7
Ht: 5'1"
Wt: 118 pounds
Bras: 36D
Panties: Cheeksters
Anal: Yes
BJs: Usually swallow
Masturbate: A few times a week

"I graduated high school a few months ago," Casey told us. "I haven't decided whether or not to go to college or to learn a trade or something. My dad is a plumber and makes good money, but I'm not sure I want to do that. If I'm being completely honest, I'd rather just marry a high roller and become a stay-at-home wife. If my job were to stay sexy and pleasure my man whenever he wanted, that would be perfect!"

"The first time I had sex, it was in the back of a car. It wasn't comfortable and I didn't have a good time. That sucked. When a girl loses her virginity, she expects it to be special. But the second time I did it, I had a lot more fun. I hooked up with a senior who had his own apartment. He lit a candle and we spent, like, an hour just giving each other head before we actually had sex. It was slow and sensual. We started with regular sex, but we finished with anal. I like to pretend that was my first time."

"I like to go on casual dates. There's no need to spend a ton of money to have a good time, especially if it's the first time we're meeting. I'm not going to put out just because you paid a bunch of money at a restaurant or something. I usually need to get to know a guy before I sleep with him. I've only had anonymous sex once. This guy was in town for a bachelor party and I ran into him on the strip. His friends sneaked us into a club even though none of us girls were 21. We danced and ground on each other for hours before I couldn't take the anticipation any longer. We were stripping each other on the way back to his hotel room. We fucked three times before I had to go home. I didn't even get his name!"

Slow and Low
"I like anal, but it has to be slow and romantic. Having a cock in your ass is too intense for hardcore pounding. But I love when a guy pushes deep inside my butt when he finishes."

Sometimes we don't have to work very hard to get our hands on exclusive girls shooting their first pornos. Febe came to us and shared that she wanted to try filming porn, but she made it clear that this was a one-and-done situation. "I'm not going to do this again. I just want to see what it's like. I don't have a boyfriend right now, so there's nothing holding me back. I want to know what it's like to have sex with a guy whose profession is to fuck."

"Oh my god! That was the best sex I've ever had. The guy was so big. He lasted a long time, too! Guys normally cum before I have the chance to, but I ended up having two orgasms with him."

"My guy brings me popsicles most every time he comes to visit," said Katie. "He knows I love them and, he says, sucking on them improves my BJ skills. One day I started to blow him with a piece of popsicle hidden in my mouth. His eyes about bugged out and, I swear, he actually screamed. But after the initial shock he got to like it, so now I do it on special occasions."

"My boyfriend returned the favor by showing me what it's like by rubbing an ice cube on my clit and slipping it into my pussy a little bit before we started to fuck. It was awesome! As it melted, it felt like I was squirting. His cock kept splashing the water out of my cunt."

Sharing is Caring
"We took these pictures as a form of foreplay. He told me he wanted photos so he could jerk off to me. I didn't know he actually wanted to send them to you! I'm cool with it, though. It's so dirty!"

We asked Athena if she had any special skills. "I make funny videos online, and I like to dance. I can also make myself into a human pretzel!" We obviously asked her to show off her skills for the camera, which she agreed to do. Meanwhile, we asked her what she likes to do for fun. "I volunteer at the animal shelter and the hospital. I would like to go to medical school eventually, but I need to save up a bunch of money for that. The check you guys are giving me for posing for these pictures is going to help a lot!"

street. "She was invited by some junior partner who wants to fuck her. You can tell she's new to the city because she's using her cell phone for directions." Alex nodded and aimed his sights at a freckled, redheaded girl sitting on the opposite side of the patio. "She's waiting for her Tinder date. She's on her period, so she's going to let him fuck her in the ass because she's crazy horny," he said, leaning in and whispering in a conspiratorial tone. I choked on my coffee and had to take a moment to catch my breath, drawing stares from the group of old people sitting next to us. "I'm alright," I insisted, waving my hands in the air. "What expert analysis led you to that conclusion, dumbass?" I inquired, leaning in to match Alex's crouch over the table.

"First, she got a to-go cup, but she's sitting down and looking around for someone. So she's waiting for someone, but she's planning on leaving," he responded.

"And how can you tell that she's on her period, or even that she's horny

for that matter?"

"Well, she keeps stretching her back because she's cramped, but then she winces in pain and looks down at her chest. Her tits are sensitive. But she's biting her lower lip and subconsciously rubbing her thigh."

"I'm impressed by your genius-level analysis and I can't wait to hear how you know she's looking to get her asshole plowed," I responded.

"Okay, I'm really proud of this one. Turn on your Bluetooth."

I swiped down on my phone and looked at my available connections. My wireless headphones popped up first, followed by two or three other available devices, all unsecured.

"See that one called LoveHush? That's a buttplug. My ex had one. I think it's the redhead's because she's subtly rocking back and forth in her chair and squirming a bit. Plus, I doubt it belongs to one of the octogenarians at the next table."

I was dumbfounded, but as I watched the pretty redhead out of the corner of my eye, she did seem to be pleasuring herself discreetly by subtly grinding her ass on her chair. As she swiveled, her eyes closed a half-inch and her lip biting intensified. My friend, although a fucking weirdo, had a knack for expert examination occasionally.

"Should we turn it on?" he asked.

"Are you fucking crazy? I'm pretty sure that's assault," I responded.

"No, it's not, dude. She left her toy unsecured and she's in public. She probably told the guy to trigger it when he's near. Why else would she use a Bluetooth sex toy in public? I'm going to give it a shot."

Before I could stop him, my friend stood up and came around to sit next to me, opening the LoveHush app on his phone.

"I never deleted this thing, hoping to find a device in the wild. I can't believe I finally did," he said while his phone auto-paired to the nearby sex toy.

Up popped a sleek blue and white user interface with a half dozen commands. At the bottom of his screen, "Amanda's Hush," appeared, signaling that our mystery girl's name was Amanda. The top option on the menu was Low & Slow.

"Here goes nothing," he said, tap-

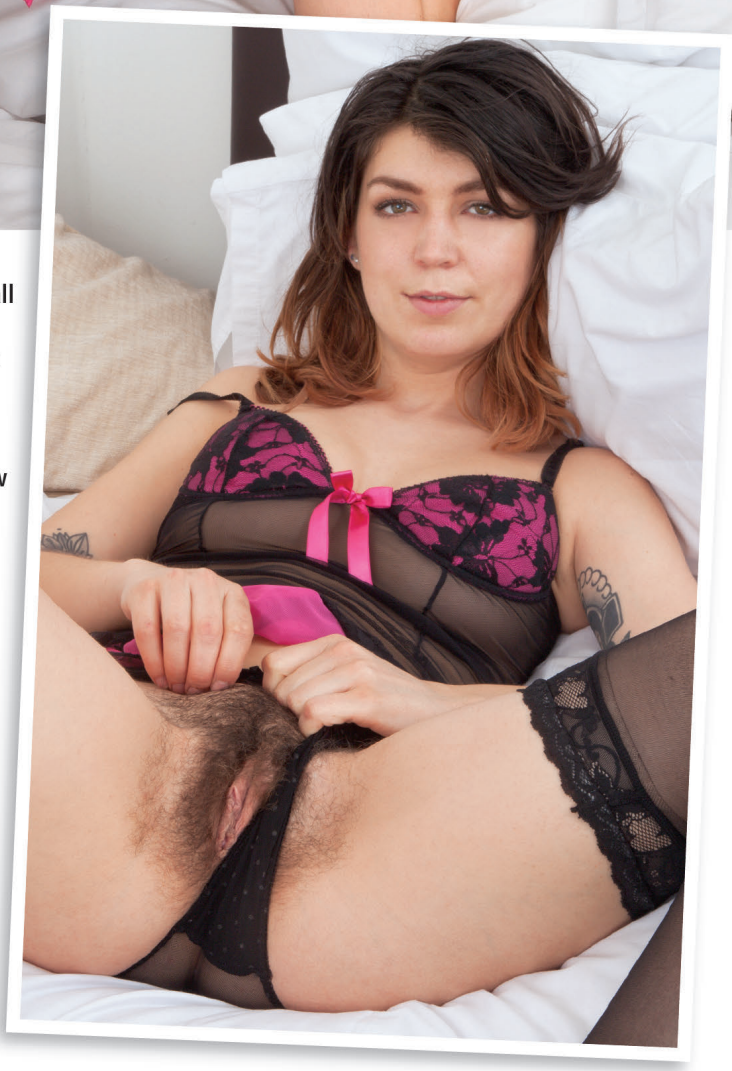
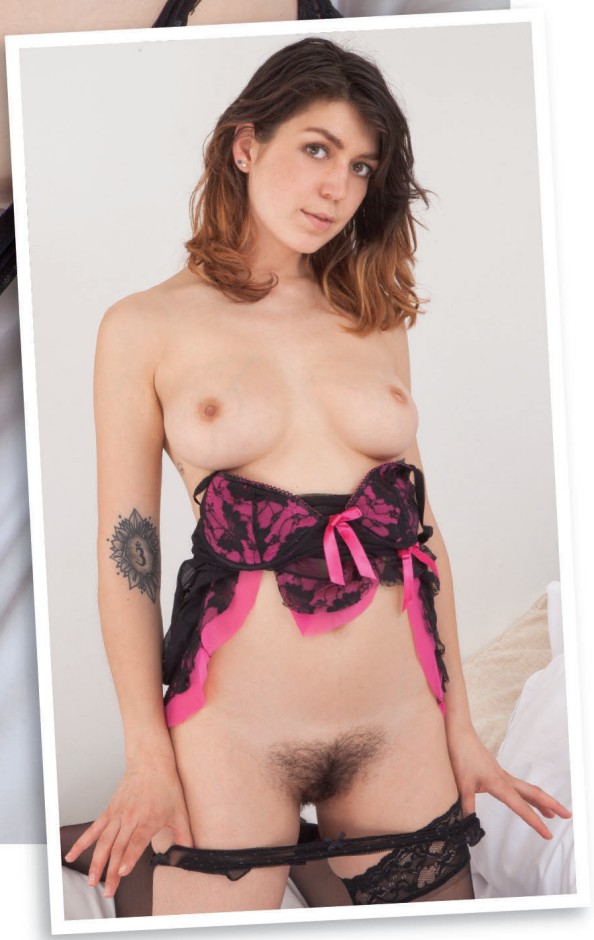
Penelope describes herself as a jack of all trades. "I graduated from art school with an interest in photography, but I also did set design for local plays, so I know how to build just about anything. I apprenticed for a tattoo artist for a bit, but I decided I didn't want to do that. I'm still trying to sort out what I want to do. I did a series of nude self-portraits last year and a bloke who bought one asked me if I was interested in shooting some more risque shots. That's how I found you guys!"





"I don't always keep my fanny this hairy, but I would say that I have a little bit of fur more often than not. I have shaved myself bare before, but I don't like it. It makes me look too young. A real woman has hair on her pussy."

We Aren't Fine Art?
"I had a lot of fun shooting these pictures. I'd like to do some more nude modeling, but I'm not sure I'll ever spread my cunt like this again. It's too revealing! I'll stick to fine art modeling."

Pretty face, nice tits, firm ass. That's Lorena, the California native who takes pride in being sexy inside and out. "Sexy, to me, comes from within," Lorena said. "It's the way a person carries themselves with confidence and pride. Sexy is a twinkle in the eyes, a beautiful smile and the way someone walks. A confident yet humble man isn't afraid to ask for what he wants. I'm usually assertive sexually, but sometimes I just want to be taken, and I need a man who has the confidence to do that." We're lining up, Lorena!

Barbara is having an affair with her much-older boss. How do we know that? He sent these photos to us. We had to get Barbara to sign some legal documents before we printed them, so we called her. "When I finished school, I traveled around for a year, crashing on friends-of-friends' couches and playing music. It was the craziest, most-fun thing I've ever done. I kissed who I liked, I ate what I wanted and I didn't have any responsibilities outside of staying safe. When I ran out of money, I had to return home, but I've been dreaming of doing another year-long trip. This time, I'm planning on going to Canada, America and Mexico."

"I obviously want to see a bunch of sights in America. I want to see the lights of New York and the crazy-grandness of the Grand Canyon, but I also want to go to music cities like Nashville and Austin. I've always been attracted to cowboy musicians. I want to find a couple of guys to screw when I'm there. I've never had a threesome, so I'm going to try to make that happen. I'll ask them to wear their boots and hats while they're fucking me!"

"When I was traveling in Ireland, the lads seemed surprised by my bush. I guess the gals there shave or trim their pubic hair. But I didn't hear a peep about my hair in England or Spain."

ping his screen.

Amanda had just taken a sip of her coffee when her plug activated in her ass. Her arm froze, her cup an inch from her mouth. Her body tensed and she looked startled. She sat there for a few seconds before she finally rested her cup back on the table. In my mind, I imagined her storming to the restroom to remove the vibrating intruder in her ass. Or maybe she would stand up and start yelling obscenities as she looked around for who had taken control of her butthole. But she began to smirk. Her head swiveled around, looking for her date.

"She likes it, dude!" my friend whispered excitedly. Amanda did look like she was enjoying herself. Her hip swiveling was barely noticeable before, but now she was putting more effort into it. Alex's finger hovered above the second command on his screen. "Let's see how she likes Good Vibes."

Amanda jerked, caught off guard by the increasing activity in her backdoor, but her smile grew wider. She crossed her legs, her thighs rubbing back and forth against one another nervously. She pressed her body as hard as she could into her chair, pushing her plug deeper into her backdoor. Her fingers tapped anxiously on the table in front of her, and her head lowered like a kitten about to pounce. I have to admit that I was as horny watching her as she probably was having her asshole commanded from afar. She looked over her shoulder, probably trying to find where her mystery man was. She grabbed her cellphone and typed out what I imagine was a text.

"I'm going to go for broke," Alex said, sensing my anxiety. He probably had the same thought I did. When her date showed up, our game would be discovered. He scrolled down to the last command on the list: The Finisher.

When Alex pressed the button, Amanda's eyes went wild. Her head shot backward and her hair flew into the air, suspended for a

moment before falling messily downward. She began to cough, but I could tell she was covering for a moan. Her legs uncrossed and she sat there in her chair, knees pushed together, eyes closed tight and her bottom lip tucked deep into her mouth, deeply and thoroughly cumming in front of a crowd of strangers. Her cheeks were flush from her pleasure, or perhaps from her embarrassment, but she didn't move an inch for what seemed like a full minute.

A tall middle-Eastern man made his way past our table, weaving his way towards our girl. "Amanda?" he asked her. Alex closed the app quickly and I grabbed my laptop, making myself ready for a quick getaway. Amanda looked up and smiled at her date and invited him to sit with her, combing her messy hair with her fingers. Alex and I stood and walked by their table so we could linger for a second and eavesdrop. "I can't believe I let a stranger do that to me," she breathed quietly to him as we passed. I looked over my shoulder at his face as I quickly walked away. His face was scrunched up in a confused look. I'm willing to bet it wasn't as confused looking as Amanda's was a few seconds later. **NN**

Exhibitionists!

What a bunch of show-offs!

Whether it's on a road trip, at the beach, on a balcony or in a local park, exhibitionists feel a compulsion to show their cunts. It's what they do. In honor of these public fuckers and flashers, we've compiled our favorite show-offs in one epic special presentation. Cali got her cheeks spread and her tight butthole fingered on a dock in Miami. Jenna sucked off her boyfriend at the coast. Big-titted Roxetta rode a fat cock on a stretch of secluded beach. These weren't one-off events for these sluts; this is what they want to do every day!

Roxetta

“Make sure the whole city can see me riding your dick!”
-Massia

Hot dogs, topless bisexual exhibitionists and beer. What was your last BBQ missing? Allison and Aliha were having fun in their friend's backyard, so they got naked and put on a show for everyone to see! Tiffani, 24, a barmaid from Denver, Colorado, contacted us about fucking one of our studs for the magazine when she was staying over in Miami before taking a Caribbean cruise with a couple of her girlfriends. She demanded that they fuck outdoors, and we've never said no to that proposition! "I loved feeling the breeze around my pussy while I was being plugged," she said. Massia, 31, is a flasher extraordinaire. She wants the whole city of Miami Beach to watch her while she fucks a big dick on her balcony. "I promise I'll put on a good show," she said.

When you're a MILF and look like Candace, Tiffany or Erica, of course you're going to want to show off! These three hot, older women crave your attention and need you to see them streak. Young Emily put on a show for her boyfriend in the public park down the street from their house!

Tiffany

Layla

Denisa had no shame about exposing her cunt to passersby. "You see those guys in the background of this shot? They caught up to where we were shooting and ogled me as I fingered myself. They asked my boyfriend if they could fuck me, but I just wanted them to watch so they would jerk off to me later that day." Olivia had a similar idea on her stretch of shore. Lovely Layla wanted to experience her first outdoor fuck, so we set her up in a tropical cabana. "I've always been nervous about trying exhibitionism because I'm scared of getting busted! I figured you guys would know the best spots to get away with it!"
